WALTHAMSTOW MUSIC DAY

God has woven music into the very fabric of His creation. When He made all things "the morning stars sang together and the angels shouted for joy." Job 38:7 The book of Revelation portrays heaven as a place of ceaseless praise, with songs of adoration to God and the Lamb resounding from all. Music can touch and move us with a power that goes beyond words or most other types of communication. At its purest and best, music lifts our beings into the very presence of God where angels and unfallen beings worship Him in song. EG White.

SABBATH TIME

The Sabbath is a day of delightful communion with God and one another. We joyfully observe this holy time from Friday evening to Saturday evening, from sunset to sunset, as a celebration of God's creative and redemptive acts.

The Power of Song

Music rightly employed, is a precious gift of God, designed to uplift the thoughts to high and noble themes, to inspire and elevate the soul.

There are few means more effective for fixing His words in the memory than repeating them in song. And such song has wonderful power. It has power to subdue rude and uncultivated natures; power to quicken thought and awaken sympathy, to promote harmony of action, and to banish the gloom and foreboding that destroy courage and weaken effort.

It is one of the most effective means of impressing the heart with spiritual truth. How often to the soul hard-pressed and ready to despair, memory recalls some word of God's, --the long-forgotten burden of a childhood song, -- and temptations lose their power, life takes on new meaning and new purpose, and courage and gladness are imparted to other souls!

As a part of religious service, singing is as much an act of worship as is prayer. Indeed, many a song is prayer. -Education, pp. 167,168

**Please note that the service is recorded and streamed live during the Divine Service programme.*
