## **Fearfully & Wonderfully Made**

### **Multiple births in the Bible**

In 2013, around 11,000 sets of twins and about 200 sets of triplets or more were born in the UK. That means that about 1 in every 65 births in the UK today are twins, triplets or more. This is a big increase from 1984, when 1 in every 100 births was a multiple birth.

Ecclesiastes 4:9-12

Two are better than one, because they have a good reward for their toil. For if they fall, one will lift up his fellow. But woe to him who is alone when he falls and has not another to lift him up! Again, if two lie together, they keep warm, but how can one keep warm alone? And though a man might prevail against one who is alone, two will withstand him—a threefold cord is not quickly broken.

There are some recorded twins in the Bible. Can you name them from the verses below?

Genesis 38:27-30

Genesis 25:22-26

John 11:16

Genesis 4:1-2 possibly? Read it carefully....

\*Please note the service is recorded and streamed live during the Divine Service programme.
