Fearfully & Wonderfully Made

What are you worth?

Some suggest that when broken down into basic chemicals - carbon, hydrogen iron etc we are worth about £4.50.

Others see us as a collection of organs which have a black market value:

Pair of Eyeballs: \$1,525	Scalp: \$607	Skull with Teeth: \$1,200	Shoulder: \$50
Coronary Artery: \$1,525	Heart: \$119,000	Liver: \$157,000	Hand and Forearm: \$385
Pint of Blood: \$337	Spleen: \$508	Stomach: \$508	Small Intestine: \$2,519
Kidney: \$262,000	Gallbladder: \$1,219	Skin: \$10 per square inch	

Humans though are worth more than the some of their parts

I Cor 6:20

For you were bought at a price; therefore glorify God in your body and in your spirit, which are God's.

John 3:16

For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life.

If you value that death – the death of God, you begin to realize you are worth far more than 4.50. You are worth a God's life. You are worth a God's death.

*Please note the service is recorded and streamed live during the Divine Service programme.
