

# Life OF Stewardship

## It's All About ...

A biblical world view of stewardship can be consciously defined as:

"Utilizing and managing all resources God provides for the glory of God and the betterment of His creation." ... "The earth is the Lord's, and everything in it, the world, and all who live in it." (Psalm 24:1).

### SABBATH TIME

*The Sabbath is a day of delightful communion with God and one another. We joyfully observe this holy time from Friday evening to Saturday evening, from sunset to sunset, as a celebration of God's creative and redemptive acts.*
